

Onda wall sconce:

Product data sheet

Piece ID

ONDA-NY5S

Product

Onda wall sconce

Type

Indoor wall-mounted luminaire,
Collectible art object.

Color

Copper

Firing date

January 8, 2026

Made in

Miami, Florida, USA

Makers

Arrived Aliens

Dimensions

10.2 in W × 3.9 in D × 11.4 in H
(260 × 100 × 290 mm)

Weight

5.8lb (2.63kg)

Materials

Raku-fired glazed ceramic (reduction-finished)

Hardware

- Stainless steel 304 internal structure
- E26/E27 sockets (universal)
- 12 AWG wiring

Electrical

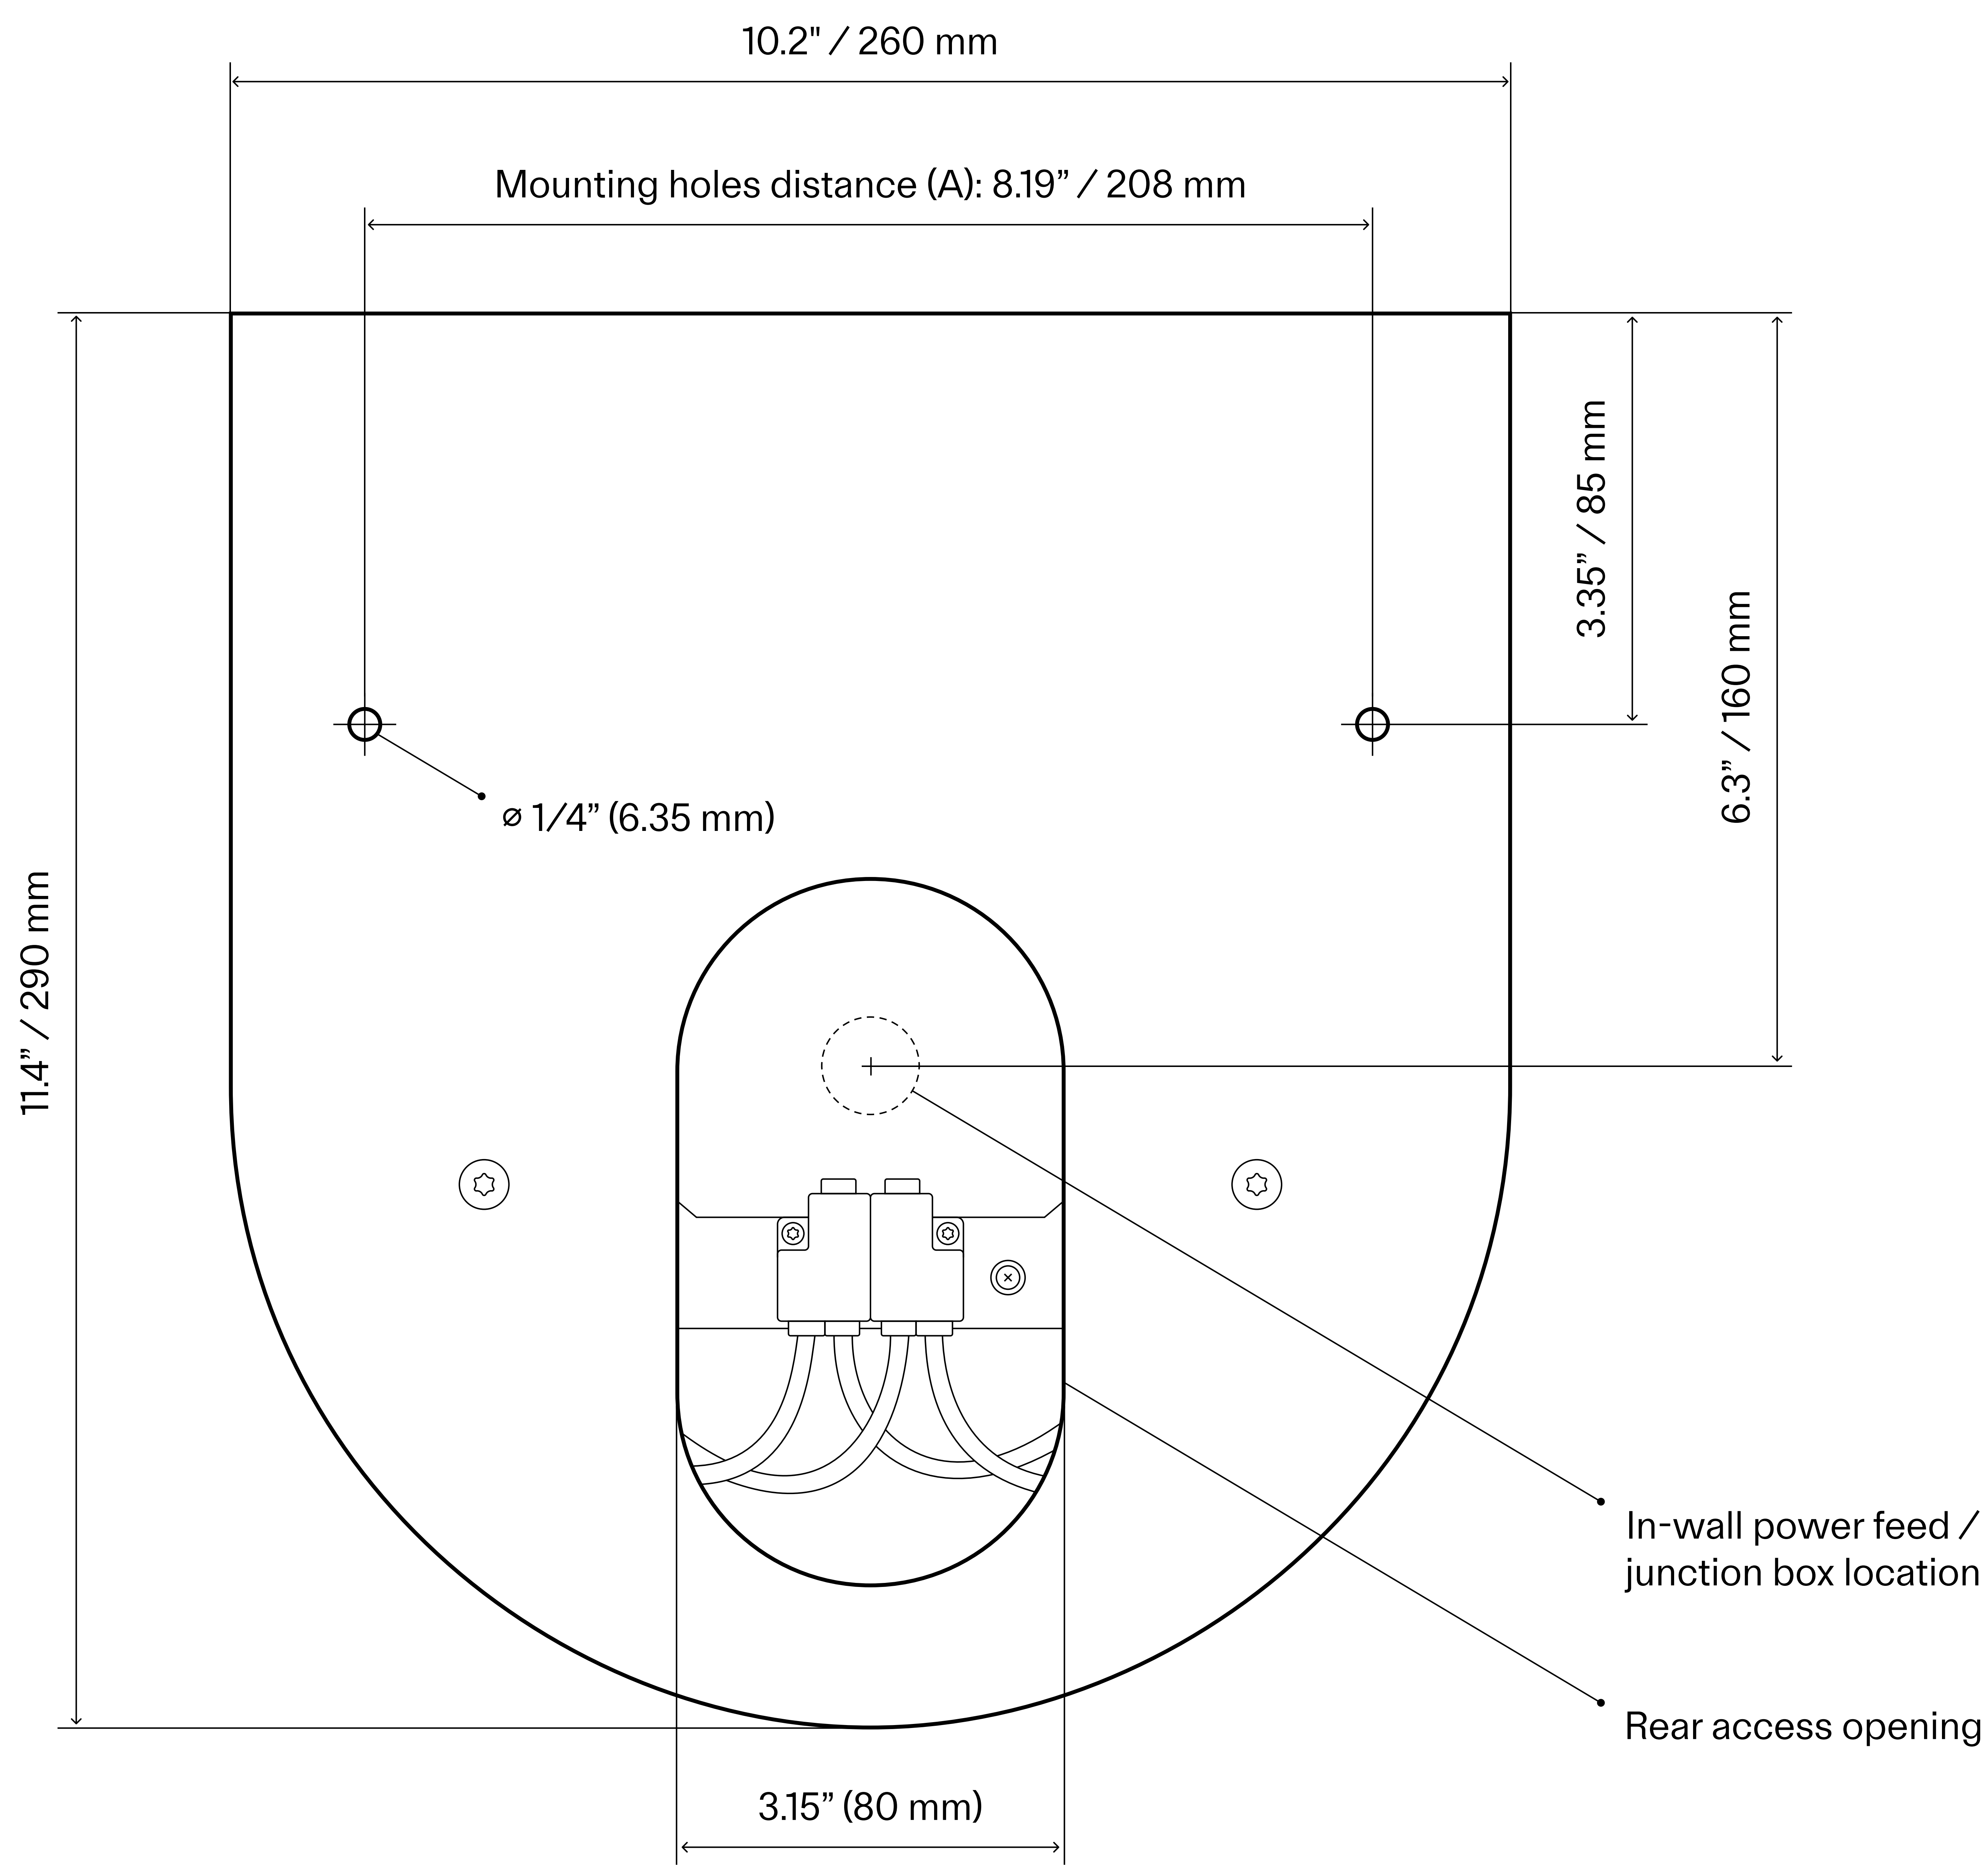

- Input voltage: 110–220 VAC (country dependent)
- Frequency: 50/60 Hz
- Bulbs: not included
- Recommended max: 40W incandescent equivalent per socket (LED bulbs only).
- Dimming: possible with dimmable LED bulbs and a compatible wall dimmer (depends on bulb/dimmer).

Each Onda is handmade and finished through raku firing and reduction. The process leaves a distinct signature in every piece — its own crackle rhythm, carbon patterns, gloss shifts, glaze flow, and small kiln traces at the edges, with slight dimensional variation expected. No two surfaces repeat.

Dimensions (nominal)

Schematic rear view

Note: Handmade ceramic. Minor dimensional variation may occur. Measure the actual piece before drilling.

Mounting & electrical layout
